BUILDING AND FIRE SAFETY CERTIFICATE

1. It is certified that Army Public School Damana is having four blocks of School building as under (in addition to two pre-fabricated class rooms which are being used as Art & Craft Room and Music Room):-

(a) Dr Radhakrishnan Block. This block consists of double storey building with 18 Class Rooms, Library, Senior IT Lab three Science Labs, English Language Lab, Exam Cell, Skills Lab, Staff Room, MI Room and Office Block).

(b) Dr Kalam Block. This block consists of double storey building with 04 Class Rooms, Activity Hall, Junior IT Lab and Staff Room).

(c) Dr Rajendra Prasad Block. This block consists of double storey building with 06 Class Rooms.

(d) Dr Zakir Hussain Block. This block consists of double storey building with 16 Class Rooms.

2. The above blocks are co-located in one campus. All rooms of the above blocks are RCC roofed and in good state. Safety requirements, including other natural disasters, have been complied with. The rooms are fit to be used as Class Rooms.

3. The School has installed First Aid Fire Extinguishers, Fire Point and water storage tank in their School premises. The School is thus adequately equipped for fire safety. However, the School has been advised to adopt the following fire safety measures in letter and spirit:-

(a) Fire fighting system installed in the School building should be checked periodically. Staff and students should be fully trained in handling / operating the fire fighting system.

(b) No hazardous material should be allowed to store in the School building.

(c) Evacuation drill should be conducted periodically.

(d) The School shall be responsible for evacuation of its students, teachers and employees in case of any fire incident.

(e) The validity of this certificate is till the renewal of affiliation by the respective Education Authority or Board of School Education.
